

Founder's Society

*"The need is great and so are the opportunities
to make a difference, one smile at a time." Paul Newman*

The Founder's Society recognizes friends who have included The Hole in the Wall Gang Camp in their estate plans, demonstrating a long-term commitment to sharing Founder Paul Newman's dream of "a different kind of healing" with the seriously ill children and families of tomorrow.

To join the Founder's Society, friends need only share their intent with Hole in the Wall to name the Camp as a charitable beneficiary of a bequest, life insurance policy, retirement plan or remainder trust. In appreciation of such enduring acts of generosity, Founder's Society members are acknowledged in our annual report, receive regular updates, and are invited to attend special annual gatherings and private tours of Camp.
